

Green County Fair ONLINE ENTRY GUIDELINES

Online Fair Entry Deadline = May 30th, 2017 @ 4:30 PM

1. Before you begin this process, all 4-H members should review their enrolled projects on 4HOnline (<https://wi.4honline.com>.) Once logged in, select "Continue to Family". At the bottom of the "Member List" page you can print individual Member Reports. You will want to print a copy of the "Member-Fair Registration Form". This is your **list of enrolled 4-H projects you can enter in the Fair**. This form is strictly for your information. It CANNOT be turned in as your fair entry. *(Please ignore this step if you are entering through FFA).*
2. Please visit the Green County Fair website <http://greencountyfair.net/pageserver/fairbook-jr-class> and review all the **General Rules & Animal Health Rules** (if you are showing animals) for showing at the 2017 Green County Fair. You should also view the **rules for the department** you will be showing in and determine Class, Lot, and Descriptions. (Note for 4-H members: Finding the correct department/class for your 4-H project can be tricky. See the "Project vs. Department Chart" on [page 14-15](#) of the May/June 4-H newsletter for assistance.)
3. Once you have completed Step 2, on the same webpage as the Fairbook, click on **2017 Green County Fair Entry Form** to complete your online entry process.
4. Click on **"Create Account"**. All exhibitors must create a new account every year. If you exhibited at last year's fair, your account will not carry over from last year.

 - A. Under division, you need to select "4-H/FFA."
 - B. Select the 4-H Club/FFA Chapter you belong to (If you are doing exhibits in both 4-H and FFA, you will need to set up two different user accounts and submit two different entries. You will essentially do the same process twice - once for your 4-H entries and once for your FFA entries.)

Using your "Member-Fair Registration Form" from 4HOnline that lists which projects you've signed up for, as well as the 2017 Fairbook located on the Green County Fair website, begin the process of adding entries by selecting the Department. The available classes will appear. Select the "+" sign in front of the Class, and the Lots will appear. Click "Add" next to the Lot number(s) you are entering in. A message will appear saying "Entry has been added." An error message will appear if applicable.

 - B. Click on "Print/Preview Receipt." Many people worry because this report says "This is not a receipt or a confirmation of entry." Simply use this list to double check that you've entered everything correctly one last time.

After reading "Review Fair Rules", click in the box stating "By Clicking this box, I affirm that I have read and understood the rules and regulations set forth by the Fair and will abide by them."
