ACTIVITIES RESTRICTING ADDITIONAL USE OF GROUNDS

\$1,500 for three days + trash removal
Activities restricting additional use of grounds except camping would be activities such as company picnics, trade shows, etc. and such activities that draw very large numbers of people which ties up most of the grounds with parking. Please check with fair office to determine if your activity is restricting additional use of the grounds and how the rent will be determined.

*Additional charge is for each additional day the building is used for set up, clean up, or any other use providing another activity is not scheduled during that time. May not exceed more than four days in addition to the three days generally contracted.

Use of the buildings, amphitheater and grounds requires a \$100 cleaning deposit, which will be refunded if buildings and grounds are properly cleaned after use.

One-half of building and/or ground rent must be paid when the building/and grounds are scheduled. This is a non-refundable deposit. The remaining rent and cleaning deposit must be paid at least ten business days prior the scheduled event.

A Certificate of Liability Insurance for \$1,000,000 naming GCF as the certificate holder is required prior to event.
