

## ATCP 160.53 – SWINE – DEPARTMENT 3

**See Judging Sheet for date  
and time.**

### Lead Superintendent: Loran Klitzman

- All junior swine exhibitors must be certified in the Youth for the Quality Care of Animals (YQCA) and submit their certification number through Fair Entry by May 31<sup>st</sup> at 4:30 pm to exhibit swine at the Green County Fair.
- All barrows and gilts exhibited at the Green County Fair must be accompanied by a Certificate of Veterinary Inspection or an Intrastate Health Certificate signed by an accredited veterinarian within a 30 day period prior to the fair. Papers will be checked prior to unloading swine at the fair. Refer to complete health regulations in front of the book.
- Pigs will be accepted on the fairgrounds between noon and 8:00 p.m. on Monday. All swine must be in place by 8:00 p.m. on Monday evening.
- Exhibitors will not be allowed to wash their pigs between 8 a.m. and the end of the weigh-in on Tuesday morning. No power washers will be allowed.
- Green County Junior Fair livestock exhibitors are **required** to fit their own animals for the Junior Show once they are on the fairgrounds. They may be **assisted** by immediate family members (parents, step-parent, legal guardians, brothers and sisters, or by another Green County Junior Fair exhibitor). Failure to abide by this rule will make the animal ineligible for the Junior Show.
- Adults are NOT allowed inside the holding pen during the swine show.
- All swine exhibitors are responsible for providing their own wood shavings.
- A maximum of one pen will be allotted for each swine exhibitor. Please pen your fair pigs together prior to the fair to eliminate fighting.
- Hogs with excessively short hair may be docked by buyer.
- The Green County Swine Show is a Terminal Show. Swine cannot be removed from the fairgrounds once they are unloaded from the trailer. All pigs will be shipped directly to a terminal market from the fair.
- Swine exhibitors are responsible for cleaning their pens after the auction pigs are loaded out on Sunday. If pen gates are removed for cleaning they must be put back in place.
- All swine exhibitors must complete and sign a Green County Fair Swine Affidavit Form that lists all medical treatments given to swine prior to the fair. One form is required per family and must be turned into the UW-Extension Office by the date specified on the form. This form is required by Tyson Fresh Meats Inc.
- All pigs are subject to testing for drug residues and ractopamine by Tyson Foods. If any pig tests positive for drug residues or ractopamine, the entire immediate family will no longer be allowed to exhibit swine at the Green County Fair.
- Exhibitors are allowed to only place one fan per pen in the swine barn.
- Vehicles are not allowed to park around the dairy and livestock buildings between 8am and 8pm on Wednesday through Saturday and 8am to 6pm on Sunday of the fair. Exhibitors will be able to bring in feed and supplies to the barn between 8pm and 8am only.
- Pop-up and all other type tents are not allowed around the dairy and livestock barns.
- Exhibitors will be required to self-identify their fair pigs and submit Photo Identification for ALL barrows and gilts that will be exhibited at the fair to the UW-Extension Office by April 16, 2022. Comparisons will be made for the Champion barrows and a few other pigs at random to be checked for Photo ID matches. If an exhibitor is found to have a pig that fails the ID comparison they will forfeit eligibility to exhibit at the Green County Fair for a period of two years.

## Market Lots – Rules and Instructions

1. Market barrows may be purebred or crossbred pigs.
2. Only exhibitors who are members of a Green County 4-H or FFA chapter are eligible to exhibit swine at the Green County Fair Junior Swine Show.
3. All swine will be weighed on Tuesday starting at 8:00 a.m. All pigs must be weighed in order by 4-H club or FFA chapter. Repeat weighing or holding animals until the end of the weigh-in is not allowed.
4. Market barrows must weigh a minimum of 225 lbs. at fair to be eligible for the show. Swine not making this weight will be transported to slaughter on Thursday morning. All handling and hauling costs will be paid by the exhibitor. (If an exhibitor does not have any barrows that make the minimum weight they will be allowed to exhibit a barrow – the heaviest – in the Junior Show.)
5. Market lot, auction and carcass barrows must be designated at the scales immediately following the weighing of pigs.
6. Each exhibitor may bring a maximum of 2 total pigs, including both barrows and market gilts.
7. Market barrows should be entered in Lot 100. Please indicate on your entry blank the number of animals being entered.
8. Barrows will be grouped into lots according to their fair weights. Lot divisions will be posted prior to 7:00 a.m. on Wednesday.
9. No more than one premium will be awarded to an exhibitor under one weight lot, except for the heaviest class.
10. Swine Auction – see Livestock Auction rules.
11. Swine breeding stock will not be allowed on the grounds.
12. All swine are required to go directly to slaughter after the fair. This is a terminal show.
13. ALL pigs that will NOT be sold in the livestock Auction will be loaded out Sunday. Payment will be based on live fair weight minus shrink at the final market destination. Any death losses incurred during transport to slaughter and quality deductions will be distributed over all the exhibitor's final payments.

## **CLASS E - BRED AND OWNED BY EXHIBITOR**

- Junior exhibitors must be determined as the owner of the sow at the time of service. The breeder (junior exhibitor) must be the owner. Pre-Entry is necessary. Pigs will need to be identified as bred and owned on swine identification forms and also entered on the fair entry program. Bred and owned status will be verified by superintendents at check-in. This is not a premium class and is sponsored by the Green County Pork Producers. Animals entered in this lot can also be entered in market barrow or gilt classes (not to exceed 2 pig limit per youth). Superintendents will have the final say in implementation of this class.

### **180. Bred and Owned**

## **CLASS F - PUREBRED CLASS**

- Junior exhibitors must present purebred registration papers at the time of check-in on Monday. Animals must be in the name of the exhibitor, or in the name of the parent/guardian and the exhibitor, or in the name of the family by May 15th of the exhibit year. This is not a premium class and is sponsored by the Green County Pork Producers. Animals entered in this lot can also be entered in market barrow or gilt classes (not to exceed 2 pig limit per youth). Superintendents will have the final say in implementation of this class.
