### Poultry Rules and Instructions

1. Read the **General Fair Rules & Instructions** document!!!
2. Read the **Animal Health Rules & Regulations** document!! Note those specifically related to Pullorum-Typhoid testing for poultry and Mycoplasma gallisepticum testing for turkeys!
  - a. Birds must originate from a certified flock or be individually tested, in accordance with WI Department of Ag, Trade and Consumer Protection requirements. Testing must be performed by a certified pullorum tester authorized by DATCP.
3. All junior poultry exhibitors must be certified in the Youth for the Quality Care of Animals (YQCA) and submit their certification number through FairEntry to exhibit poultry at the Green County Fair.
4. Each exhibitor MUST provide a copy of the Flock Status certificate or Individual Testing paperwork at check-in on Tuesday of the fair. The Fair Office will NOT print or copy this paperwork. Birds without this information will be sent home.
5. Each exhibitor allowed 1 entry per lot, a total of not more than **7 lots**. (Showmanship does not count toward your Lot total)
6. All cockerels/pullets entered in Class A must have been hatched after the previous year's Green County Fair.
7. It is recommended that exhibitors use some form of identification for birds. Examples include leg band, wing band, etc.
8. All poultry must be checked in between 9:00 a.m. to Noon on Tuesday of the fair, before being put in a pen.
9. Exhibitors must provide a water container that CANNOT be tipped over for each of their pens.
10. Exhibitors must be present during all judging.
11. All entries in Classes F & G (Meat Ducks & Turkeys) will be judged in the center of the Stock Pavilion, similar to entries in Class A.
12. Each exhibitor must daily take care of his/her own exhibit(s). This includes morning and evening chores, and throughout the day, as needed. Birds not taken care of daily may be sent home and the member will forfeit the premium money on the exhibit(s) and eligibility to exhibit in this department next year.
13. Shavings must remain in place until 6:00pm on Sunday at check-out time. Sawdust and shavings must be discarded in the pit on the other side of the swine barn, NOT in the dumpster.
14. All exhibitors are required to clean their cages prior to leaving the fairgrounds on Sunday evening, or the exhibitor will forfeit the premium money on the exhibits and eligibility to exhibit in this department next year. Birds must be moved out promptly after 6:00pm.
15. Superintendents may need to review birds before check-in to ensure they are in the correct classes. We will make every possible attempt to move misclassified birds into corrected categories (these will be ribbon eligible only), but if they have a bird already registered in that lot, they may have to send a bird home.
